E-NOTICE SERVICES

**Safe & Secure
Delivery of
E-Notices**

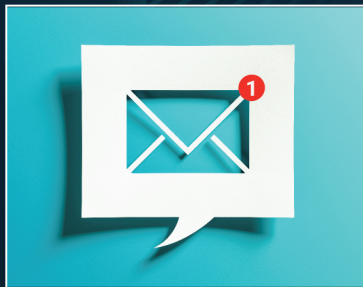

variverge
data + print + mail

For over 25 years, you've trusted VariVerge with your printing and mailing needs, but as print and mail material costs continue to rise, we want to help with your bottom line.

VariVerge offers safe and secure delivery and payment of e-notices. Through our state-of-the-art online portal, allow your consumers to view their notices and bills online with a trusted and verified vendor, at a fraction of the cost.

Whether you just want to give your customer access to view a document or pay a bill, we offer an easy-to-use customer portal.

Whether you just want to give your customer access to view a document or pay a bill, we offer an easy-to-use customer portal.

SSAE 18 COMPLIANT

VariVerge is SSAE 18 compliant and we continue to offer the highest levels of data security when it matters most, whether on a printed piece or an electronic delivery.

advantages

- Safe and secure online portal to view statements and pay bills online
- Save money on postage and allocate your budget to other important projects
- Set up specific Customer Service Rep accounts dedicated to your departments and customer specific needs
- Communicate with your customers via electronic messages
- Enjoy the benefits of instant delivery and better cash flow
